### DESCRIPTION

The most compact Autocut dispenser on the market that works with standard-size paper rolls. Its reliable mechanical system accepts nearly all paper types (1-ply, 2-ply, or 3-ply) and is designed for quick, hassle-free loading. The dispenser features an automatic loading mechanism that activates upon closing the cover, making refills fast and effortless. Tested in demanding environments, the cutting mechanism has been university-verified to handle up to 32,000 meters of paper.
